

# Experience Robotics Research at CMU

## CMU's Robotics Institute Summer Scholars Undergraduate Research Program

June 1st - August 15th  
CMU Pittsburgh, Pennsylvania Campus

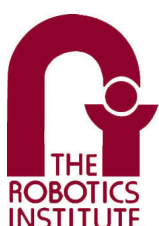

- Participate in state-of-the-art research
- Work with world-renowned robotics researchers
- Gain new skills and research experience
- Prepare for top graduate schools
- Build a broad network of technical contacts
- Interact with a diverse research team
- Attend RISS tuition-free
- Receive possible scholarships, fellowships, or other financial support

To learn more about RISS and to apply, visit:

<http://riss.ri.cmu.edu>

Applications will be accepted December 1 to January 31

**Carnegie  
Mellon  
University**
